DAILY DESIGN DISCUSSIONS

WEEK 14

MONDAY

What is a collage?

What could the be used for?

What would make a good collage?

Be sure to use design terms.

TUESDAY

This collage utilizes color to create mood.

Identify the images being used.

Define the mood being created.

Then explain how color and these images work together to create the mood of this collage.

WEDNESDAY

This collage utilizes photos and graphics.

Do you feel this is advantageous? or should a collage only use graphics or only be photos?

Are there any cases you feel you should use both? Explain?

THURSDAY

This is a photo collage, called a photo mosaic.

What graphic terms are being utilized to create this image?

Be sure to use at least 4 with examples.

FRIDAY

Find four cd covers online that you think are the best designed.

Explain in 3 sentences why you believe each of the cd covers you picked deserves to be called the best.

Be sure to use your design terms.
